## Reflection for 19<sup>th</sup> Sunday in Ordinary Time

### *Food for Now and Eternity*

Elijah needed both food for the body and soul, for forty days which in the Hebrew Testament is a symbolic number for a journey of the soul.

Food for the soul can become prayer, a good chat at a bad moment, the Mass. Culture, art, music, prayer to feed the soul. The bread of life of Jesus is both Holy Communion and other nourishment for the soul.

Teilhard de Chardin writes: '*we are spiritual beings on a human journey*'. This means that at our deepest we are spiritual. Our essence is **from God** and **for God**, and the journey is human. Both are one.

In all of this is the presence of Jesus. The one who is our bread of life, and through us he feeds others in many ways. In receiving the bread of life we commit ourselves to being '*Eucharist People*' offering the love and compassion of **God** to the world.

Sometimes we have to wait, and maybe sift through different moods. In the awaiting is the feeding. We are being fed all the time by **God**, and sometimes we don't notice. The Eucharist is the summit of other feedings and meals.

Our hopes of life after death and our resurrection give the food that always lasts. At the time of death we need reminders of meeting **God** in the next life!

*We might picture people in great need  
– of food, of meaning in life, of hope.*

*Pray for them offering to bring food  
for body and soul when we can.*

*Give us this day our daily bread, O Lord.*
